

THE GOULD BLUE AND GOLD

VOLUME XXII—NUMBER 1

BETHEL, MAINE, OCTOBER 14, 1963

TEN CENTS A COPY

"I Saw old Autumn in the misty morn."

Dedication of New Bingham Hall

Over a year of effort, worry, labor, and sacrifice was culminated Saturday, October 5th at 1:30 p. m., when the transformed and renovated William Bingham 2nd Hall was dedicated. Before an audience of over a thousand, both live and via closed circuit television, visiting dignitaries, Gould Academy trustees, and members of the family of the late Mr. Bingham participated in a ceremony which, in essence, was a tribute to the philanthropy and humanity of a great man.

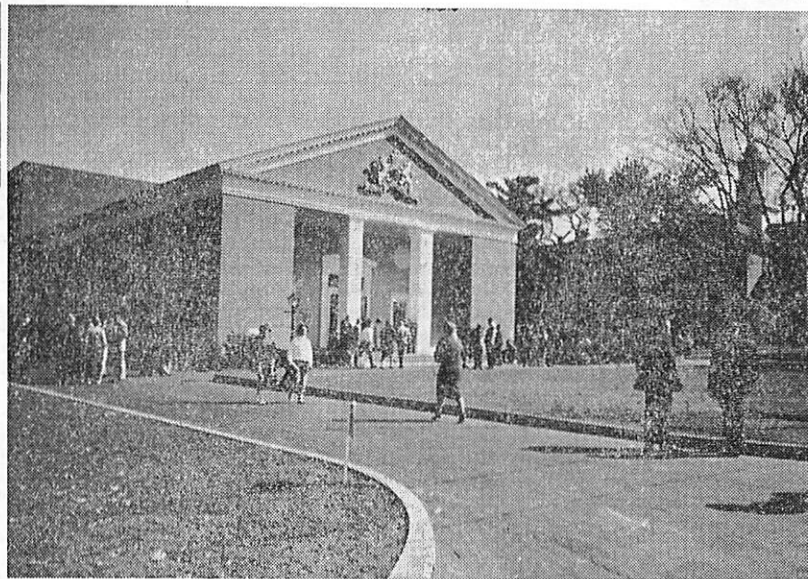

The fine fall weather and uniquely beautiful Maine foliage contributed to the general pervading feeling of gratitude and completion.

The doors of the William Bingham II Hall opened at 12:15 and the auditorium was soon filled to capacity. Those unable to obtain a seat in the hall proper found places in the girls' gym or in Hanscom Hall where they were able to see and hear all by means of closed circuit television.

At 1:15 P. M. under the skillful hands of Mr. E. Ward Steady of Berlin, New Hampshire, the first triumphant trumpet-like notes of the new organ rang out loud and rich and clear. The invocation was delivered by The Reverend Mr. David N. Beach, pastor of the Community Church of West Dennis, Massachusetts, Pastor Emeritus of the First Church of Christ of New Haven, Connecticut, and one of Gould's most devoted and outstanding friends.

Mr. Beach was followed by Mr. Murray W. Thurston, a Gould Graduate of the class of 1939 and a member of the Board of Trustees. He presented the new organ, a beautiful Hammond Concert model, which was purchased as a result of a fund drive held last spring and which will be a permanent addition to the auditorium. Mr. Edmond J. Vachon, headmaster of Gould Academy and a member of the Board of Trustees, accepted the presentation and continued with a few remarks on Bingham Hall. He expressed the deep pride of all concerning this beautiful and extensive addition to the already broad academic, cultural, and recreational facilities of Gould. He spoke aloud to the silent hope in all our hearts—that this building will be a fitting monument to William Bingham II. Mr. Vachon also mentioned that he had received congratulatory greetings from many high personages including The Honorable John H. Reed, governor of the State of Maine, who expressed regrets that he could not be present.

Next on the agenda was Mr. Sidney W. Davidson, Chairman of the Board of Trustees, who introduced the two main speakers of the day: Dr. Samuel Proger, President of the Bingham Associates Fund of Bethel, Maine, and physician-in-chief of the New England Center Hospital in Boston, Massachusetts, and the Honorable Mrs. Frances

NEW BINGHAM HALL

—Lee's Studio Photo

P. Bolton, member of Congress from the 22nd District of Ohio and a sister of Mr. Bingham.

Dr. Proger was Mr. Bingham's personal physician and close friend from 1931 until his death in 1955. His brief talk was a touching tribute to a fine man he obviously loved and respected. Dr. Proger gave a brief personal history of Mr. Bingham as he knew him. It was obvious, however, that two of Mr. Bingham's qualities impressed the good doctor more than any of the others, namely, his all-encompassing modesty and his wise giving. As Dr. Proger said—"Philanthropy was his mission." Both Gould Academy and the New England Medical Center owe this man more than words can ever express.

In direct contrast Mrs. Bolton spoke informally of her brother and reminisced of the happy times they spent in Maine, especially winters in Bethel. She also mentioned Mr. Bingham's extreme modesty and love of seclusion and yet pointed out that because of his generosity he was known across the world.

Mrs. Bolton concluded her talk on the international level, expressing the concern felt by all on the world situation today. She feels that our country needs the strength of Maine as produced by Gould in this time of crisis.

The ceremony closed with a Prayer of Dedication by Reverend Mr. Beach. We all join Mrs. Bolton in her hope—"May this hall give all a sense of his (Mr. Bingham's) spirit."

Frosh Party

A Freshman party was held on September 21 at 8 p. m., in the Bingham Gymnasium. Mr. and Mrs. Knight, Miss McIntyre and Miss Boyce were chaperones. Kay Smith, Nancy Chapin, David Thurston, Gene Tebbets, Kenneth Remsen, and Jean Bartholomew were on the Planning Committee. Leah Swain, Jean Bartholomew, Betsy Noyes, and Nancy Chapin planned the refreshments: cookies and punch. Kenneth Remsen, David Thurston, and Kay Smith were on the Record Committee. Merton Brown distributed the name tags.

Following a Name Tag Dance was a "Snowball" led by Eileen Saunders and Richard Paine. A Ladies' Choice and Elimination Dance brought the evening into full swing. The Limbo Contest was won by Claudia Samson and Kenneth Remsen. The successful affair was thoroughly enjoyed by the new class.

Parents' Day Tea

On Saturday, October fifth, the annual Parents' Day Tea took place in the redecorated Gehring Hall dining-room. The tea, which commenced at four o'clock, was held for the benefit of any parents who wished to become acquainted with the teachers.

Mrs. Owen and Mrs. Thompson were in charge of the guestbook. Other faculty wives helped to arrange the tables and serve the delicious refreshments.

At five-thirty the small groups of parents and teachers dispersed, almost all of them with a better understanding of each other and the students.

Evening Program

At eight o'clock on the evening of October 5, Parents' Day, students and parents enjoyed one of the most successful Parents' Day programs in recent years. Under the capable direction of several members of our faculty, the proceedings were carried through smoothly and with great success.

When Ward Steady approached the organ, all present realized that the evening was off to a grand start. His versatility was displayed in renditions of spirituals, old favorites and jazz. Demonstrating the organ's fullest capacities, Mr. Steady appeared to derive as much pleasure as he gave. Next, Mr. Vogt explained the superb theatrical equipment. The audience learned about the curtains, microphone, screen, and lighting facilities. Mr. Vogt pointed out the audio-visual crew divided into three groups, the projection booth, dimmer board, and curtain crews. Even

the trap door in the stage received mention and was appropriately dubbed the "Fox hole" when Stan Fox, fearless local barber, stepped forth.

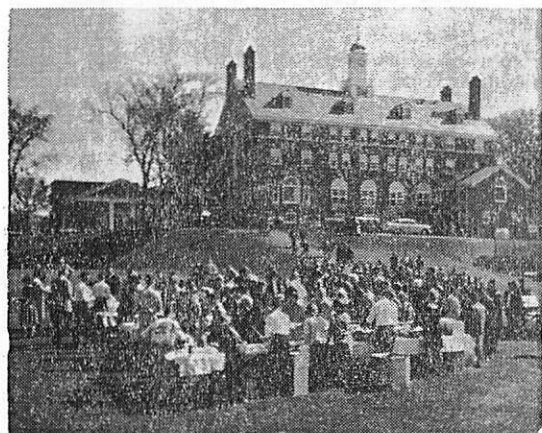

The Chapman Club added further harmony under the direction of Mr. Owen, with Carol Flint at the piano. Its members sang, "Sixteen Going on Seventeen" from "Sound of Music," "Scarlet Ribbons," and "Consider Yourself" from "Oliver."

Next, highlights of 1962-63 at Gould added a touch of nostalgia and pleasant memories.

Two talented seniors joined to complete the program. Linda Paine at the organ and Carol Flint again at the piano played "Carousel Waltz" and "Happy Talk."

The Specialty Shop

Bethel, Maine

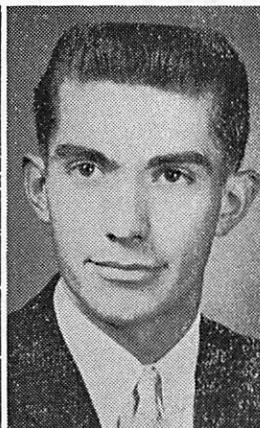

Parents' Day Barbecue

October 5, Parents' Day, was a beautiful day for a barbecue, and Gould Academy took full advantage of the fine weather by holding a wonderful chicken barbecue outdoors. It was early last week when the crew started setting up the pits on the boys' athletic field. Four rows of tables were set up where the fried chicken, salad, potato chips, rolls, ice cream, milk, and coffee were arranged in buffet style. The dinner was well attended by students, their families, faculty members, and distinguished guests. People were seated on the bleachers and on the ground. The sticky hands and smiles were good evidence that the barbecue was a success.

MR. DANFORTH

By now Mr. Stephen Danforth, the new French teacher, is a familiar figure to Gould students. Mr. Danforth calls Dover-Foxcroft, Maine, his home town, and he received his secondary education at Foxcroft Academy. He attended Colby College from which he graduated in 1963 with a Bachelor of Arts degree in French. For interests Mr. Danforth enjoys sports and making models of airplanes. When asked how he liked Gould, he responded quickly with, "I like it very much."

Both faculty and students are glad to welcome Mr. Danforth to the school and hope that his stay will be a happy one.

tain we decided to go up Tuckerman's Ravine and everyone immediately left for the hills! As yet, we were not sure that we'd make it to the top because of the cold rainy weather, which isn't the best for climbing. Meeting us at the half-way house, Mr. Richardson told us we were going to the top. Everyone let out a big cheer, and off we went. Arriving at the top, we noticed a sudden change in the temperature; it was so cold that icicles were hanging from the buildings. The climb down was harder than the one up for some, but there were no injuries. We then boarded the bus and headed back to school.

HEADMASTER'S CORNER

Desire to Achieve
Experts in the field of human relations are generally agreed that the spark plug which has caused many people to reach the peak of human endeavor is a burning desire to achieve. Time and time again the press comes up with an example of someone who would seem to be hopelessly handicapped and yet achieves the seemingly impossible. For them as for all those fortunate to possess full faculties, their success can be attributed in large measure to a burning desire to be successful.

And yet, on a recent coast-to-coast TV show, secondary school seniors, who were asked about the life they expected for themselves twenty years hence and how they hoped to achieve it, dwelled primarily on the importance of security and social acceptance but never once did they indicate a strong desire to work for success in a career. Is it that we lack the will to work as much as we should for a full development of our faculties? Are we content to settle in a life of lethargy and complacency and yet expect that the years will be kind to us and provide us with our dreams for the future?

The will to work and to win our goal has been an American trademark from the beginning in our young history. This spirit, more than all else, has made our country great. It is needed today more than any other time among our people. As part of our training, let us foster a strong urge to get ahead — and to stay there. Let us lose it we must take pride in our accomplishments and strive for greater ones.

CONGRATULATIONS TO NMSQT SEMI-FINALISTS

Congratulations to seniors Patricia Eames and Louise Delano, both National Merit Scholarship semi-finalists, for an excellent performance on their qualifying tests. Each holds a certificate of commendation for exceptional academic achievement, a Garland of scholastic acclaim accorded to only thirteen thousand students in the nation, and less than one percent of the graduating seniors in Maine, entitling them to compete in the National Merit Scholarship Program.

Compliments of the
NORSEMAN INN
Bethel, Maine

EDITORIAL

A SENSE OF VALUES

"The world is too much with us; late and soon
Getting and spending, we lay waste our powers.
Little we see in nature that is ours . . ."

Wordsworth's immortal lines are familiar to us all. Yet, as familiarity breeds indifference, how often do we stop to dwell upon the meaning of them? In our high-strung society of great wealth and economic stress, we find ourselves centering all our thoughts, our prejudices, our very lives, around the importance of material possessions. We are called upon constantly to appreciate, to worship the vast wealth that surrounds us night and day. This can only lead to a cynical philosophy that all that our elders say about moral values is so much castle-building.

The object of life, of education in the broader sense, is to introduce certain concepts, attitudes and ideas in the mind of the individual. Physical beauty and superior facilities, while lending a certain atmosphere and luxury, are secondary when the end result is taken into consideration. The quality of education received is not directly proportional to wealth.

Part of our general education should be the acquisition of a certain sense of values, knowing what is really important in life and what is not. For example, a child places a great deal of importance on toys; however, as he matures, he realizes that they are of small importance.

We are in danger of misplacing our sense of values, of worrying over much about our "toys". Let us, as mature individuals, realize what there is "in nature that is ours."

R. J.

STUDENT MIXER

Friday, September 6, at 8 p. m., the annual Student Mixer was held in the new William Bingham 2nd Gymnasium.

As students entered into the lobby, each was asked to write his name on a slip of paper, each class represented by a different color ink.

Mr. Hillier, master of ceremonies, was soon telling us to form a line for a Grand March. When everyone had a partner, the first dance began. Before long, Mr. Hillier asked the senior class to take the floor. They were followed by juniors, sophomores and finally, our newest class, the freshmen.

Refreshments were sold, and at 9:30, Don and Jerry Nowlin entertained everyone with songs to guitar accompaniment.

But all too soon, the clock struck ten, and couples walked home with memories of the first dance of this school year.

MT. WASHINGTON HIKE

On Saturday morning, September 28, the Outing Club left for its annual climb up Mt. Washington. Upon arriving at the base of the mountain,

ORGANIZATIONS

S. A. C.

The Student Activity Council is off with a surging start. Under the direction of the newly elected president, Peter Hubbard, and other officers, Robert Amrein, Joanne Runyon, and Robert Chapman, vice-president, secretary, and treasurer respectively, the Council has already sponsored a weekend, held class elections, and set up an activity schedule.

The Executive Council, which meets weekly to discuss the business at hand, consists of the officers plus Carol Flint, Bill McCall, and Matt Brooks.

The Council, set up for the purpose of making decisions after the members have discussed matters with their organizations, proved itself highly successful last year and is carrying on this year's work with a great degree of purpose and achievement.

CHEERLEADERS

Wonder no more about the noises from the girls' gym during the week of September 9. They were the thirty potential cheerleaders practicing for tryouts on the 13th before the judges from S.A.C.

After the tryouts, they had to wait all weekend before it was announced Monday that the ten chosen were: Sue Bartash, Sue Crane, Stephanie Buchanan, Louann Brown, Caren Carswell, Ruth MacQuinn, Barbie Douglass, with Betsy Crane and Sally Kinne as substitutes.

OUTING CLUB

Tom Hamilton has been handed the responsibility of presiding over one of the largest Outing Clubs in the history of Gould.

Under Tom are the other capable officers, Bill McCall, Bev Shipp, and Jans Look.

The club, starting the year with one hundred and forty-two members, has great hopes

CAMERA CLUB

The Camera Club held its first meeting on September 19. There was an excellent turnout of "shutterbugs". The large attendance wasn't too surprising after the very informative talk given in assembly by Bob Saunders, which told of the club's purposes, activities, and requirements. The new members who wanted instruction in the use of darkroom equipment gave their names, and a schedule will be made up to give everyone a chance as soon as possible.

The members of the Camera Club are as follows: President, Bill Boynton; Vice President, Rolfe Foxwell; Secretary, Nancy Sargent; Treasurer, Carolyn Roberts; Bob Saunders, Matt Brooks, Billy Keoskie, Randy Chretien, Mike Chretien, Maynard Morgan, Bob Swain, Eldon Bartlett, Gordon Manuel, Larry Jacobs, Tommy Day, Paul Vachon, David Putnam, Tyler Moses, John Young, Parker Conner, Peter Burgess, Lannie Brown, Owen Brown, Ray Atwood, Jeff Lord, John Lombard, Joel Nichols, Lorrette Patenaude, Claire Bachelder, Nadine Curtis, Eleanor Parker, Linda Calef, Brenda Sweetser, Mary Powell, Diane Burrill, Martha Laws, Janice Tinkham, Diane Williamson, Sue Bartash, and Anne Scribner.

of becoming the most active, and by far the most enthusiastic group on campus.

The first week-end of the school year, the club sponsored a climb up Barker Mountain. This was followed the next week-end with a climb up Caribou, but these two trips were just a test before the big trip!

On September twenty-eighth a group of bright-eyed adventurers started out for Mt. Washington!

MRS. FRANCES P. BOLTON

Honorable Frances P. Bolton, a member of Congress for thirteen years and ranking Republican on the Committee on Foreign Affairs, is the sister of William Bingham 2nd; along with other members of her family, she

has contributed greatly to Gould and is largely responsible for the William Bingham Gymnasium. Fittingly enough she was the principal speaker for the dedication of the auditorium on October 5, 1963.

MUSIC

CHAPMAN CLUB

The Chapman Club finds itself in the throes of preparing for the evening entertainment of Parents' Day, October 5, 1963. Under the direction of Mr. James Owen, for the feature of the evening, they are preparing three numbers, which are "Sixteen Going on Seventeen," "Consider Yourself," and "Scarlet Ribbons."

The newly elected officers of this talented group are: president, Carol Flint; vice president, Louise Delano, secretary-treasurer, Martha Keniston. The new members recently chosen are Rebecca Keniston, Greg Glines, Linda Lord, Anna Thompson, Laurie Fisher, Genevieve Osgbury, Peter Howard and Jane Totten. Congratulations to all of you!

BAND

The marching band this year has been kept very busy readying themselves for the football games and for Parents' Day. Whether rehearsing in the new music room or marching up and down the athletic field, the band, under the direction of Mr. Owen and Don LaDieu, the new drum-major, is working hard for a cracker-jack performance, which will be witnessed by a large crowd, Saturday, October 5. Among the routines for this special event are "Precision March" and "Sweet Rosie O'Grady."

The marching band is fortunate in obtaining twenty-five new members from the four classes. Working out with the marching band are the majorettes, Diana Harris, Victoria Robertson, Donna Breault, and Jane Totten.

The band council elected for this year is as follows: chairman, Carol Flint; senior representative, Dick Jacobs; junior representative, Dave Kibbe; sophomore representative, Charles Jacobs.

FUTURE HOMEMAKERS OF AMERICA

The newly elected officers of the Gould Chapter of the Future Homemakers of America are:

President: Judy Lapham
Vice-president: Ellen Brown

Secretary: Carlene Jordan
Treasurer: Rachel Keniston

Parliamentarian: Sue Bartash

Social and Recreational Chairman: Merry York

Historian: Dorothy Verrill

Public relations: Jane Look

Student Activity Council member: Joy Moore

The initiation of new members is going to be held on October 11.

Miss Minot and Anne Scribner went to Bryant Pond where they met with other representatives to help plan the State Convention to be held in the spring of '64.

Judy Lapham, who is District vice-chairman, is going to help plan, along with others, the work program for the State Convention when she goes to the District Convention in Wilton on November 23.

Anne Scribner is in charge of the publication of the State Newsletter. The State Newsletter is a booklet that tells what other F. H. A. chapters around the state are doing.

G. A. A. TEA

The Girls' Athletic Association Tea was held on Friday, September 30th at three o'clock in Gehring Hall. The tea was called to order by the president Joanne Runyon.

The purpose of this tea was to acquaint new girls with the types of sports offered at Gould. This was done by having each manager explain a little about her sport: requirements, practices, necessary equipment or costs, and the point system. Each girl received a booklet explaining the organization, its council and the sports.

Refreshments were served by Wilma Philbrook.

Several of the teachers attended, including Miss Brouillard and Mrs. Vachon.

Gould Victorious as Fall Sports Open

GOULD OVER WINTHROP

The Gould Huskies trained by Coach Scott and captained by Sam Bartholomew downed an energetic Winthrop High team with a 14-6 victory Saturday, September 28 at Winthrop.

Gould received the kick-off and was forced to punt in a fourth-down situation but capitalized on a pass interception and 40-yard run by Dennis Wheeler and climaxed by a touchdown and conversion by left halfback, Jim Corriveau. After the ball changed hands a number of times, Gould marched down to the Winthrop five-yard line in a touchdown bid characterized by excellent blocking by Gould's offensive ends and powerful sweeps by Corriveau, only to have 2 touchdown plays nullified by penalties.

Late in the half, Winthrop brought the ball deep into Gould territory but was thrown for losses on two consecutive downs by some fine playing by left end Paul Imhof.

Jim Corriveau made his second touchdown and conversion in the fourth quarter to give Gould 14 points. Winthrop rallied after recovering a fumble with a touchdown by left halfback Gary Howard, but failed in their bid for the extra point. Gould stopped another spirited Winthrop drive in the final minutes of play with a pass interception, putting the lid on a mutually hard-fought game.

The starting lineups were as follows:

Gould	Winthrop
P. Imhof le	le Goulon
S. Twitchell lt	lt Anclair
Runnels lg	lg Williams
Amrein c	c Mayo
A. Twitchell rg	rg House
D. Stevens rt	rt Drew
L. Stevens re	re Patterson

Howe rhh	rhh Tani
Hammond fb	fb Fish

Girls Make The Scene

GIRLS' SPORTS

The activities of the sports' day with Kents Hill started early Saturday morning at 9:30 a. m. with a rousing but disappointing field hockey match. The resulting score was 7-1 in Kents Hill's favor. Gould's JV's fared a little better in a closely matched game. Jane Totten scored the only point of the entire game.

The tennis matches continued throughout the better part of the morning. Gould

TOUCHDOWN!

HUSKIES UNDEFEATED IN '63

PARENT'S DAY GAME

On October 5, a beautiful, sunny Parents' Day, Gould Academy kept its undefeated status by downing Old Orchard 14-6.

Gould kicked off to the Sea Gulls, but although they hit hard, good Gould defense kept them above the thirty yard line in the first half.

Gould penetrated to the Sea Gulls' one yard line in the first half but failed to push across.

After a good half time show and cross country meet, Gould came out more determined. The Huskies marched 69 yards, most of which Corey Brown gained in a 42 yard dash. Gould's first tally came on a twelve yard pass from quarterback Mike Chretien to right halfback Brown. Jim Corriveau kicked the extra point.

Old Orchard jumped right back. Prendergast scored on a pass from Boucher, climaxed a drive of fifty-five yards.

The place kick was blocked successfully.

Gould's final score came in the last quarter when left halfback Jim Corriveau rounded the right end on an eleven yard sprint. Corriveau's place kick was good, making the final score 14-6.

In the following weeks Gould meets Mexico, Kennebunk, Lisbon, and Fryeburg, all tough opponents. We all hope the Huskies remain undefeated with this schedule.

The line-up:

Gould: LE, Imhof; LT, S. Twitchell; LG, Runnels; C, Amrein; RG, A. Twitchell; RT, D. Stevens; RE, L. Stevens; QB, Mike Chretien; LH-B, Corriveau; RH-B, Atwood. Subs. Wight, Bartholomew, Bean, Brooks, Burns, Wheeler, Brown, J. Young, D. Young, Chapman, Nickerson, Swan, Nichols, Foxwell, Hammond, Andrews, R. Chretien.

Have Country -- Will Cross

CROSS COUNTRY GOULD, FRYEBURG, OXFORD HILLS

Coach Vogt's cross country team experienced a triangular win for Gould in their first meet of the season September 22 with Fryeburg Academy and Oxford Hills at Fryeburg.

Gould's Vaughn Damone took top honors with an official time of 14:01. Other Gould runners placing in the top ten were as follows: Tony Chapman, 3rd; John Lombard, 5th; Dave Carter, 6th; Bruce Lane, 7th; Bob Bartholomew, 8th; and Warren Tibbetts, 10th.

Special credit goes to Warren Tibbetts who ran the race despite a cast on his recently broken arm. From this excellent showing the Gould team should have a very good season.

Total scores for the after-

GOULD HUSKIES OUTRUN VIKINGS

Vaughn Damone set a new course record while leading Gould Academy to a 19-40 cross-country win over Oxford Hills High School here on Parents' Day, October 5.

Damone ran the 2.3 mile course in 13:34.5, a good 30 seconds faster than second-place Greg Goodspeed of Oxford Hills.

Others in order of finish were: Tony Chapman (G), Andrew Buck (G), John Lombard (G), Bruce Lane (G), Paul Goss (OH), James Kimball (OH), Robert Bartholomew (G), David Carter (G), Michael Madden (OH), Dale St. John (OH), Warren Frenchette (OH).

noon were: Gould, 22; Oxford Hills, 43; and Fryeburg, 86.

GOULD SMASHES LYNDON

With a very enthusiastic crowd watching the opening game of the season, the Huskies ran Lyndon Institute into the ground with an impressive 48-0 victory last September 21. The Vermonters who were trying to get even for the defeat they were handed last year couldn't seem to stop the strong Husky offense or break through the "monster defense."

The initial score came early in the first quarter as Gould made a 58 yard drive which was climaxed by Arthur Hammond's 28 yard dash for the touchdown.

The next two touchdowns, which were made possible by good downfield blocking, were scored by Jim Corriveau, who demonstrated his fine running ability by executing two long touchdown runs of 80 yards and 24 yards, respectively.

The fourth touchdown came on a play of nearly 30 yards with quarterback Mike Chretien passing off to Corriveau who dashed into the end zone.

Arthur Hammond smashed through the Lyndon defense from nine yards out to give Gould the fifth touchdown of the game. The touchdown scoring was completed by Greg Howe and Ray Atwood who both scored from about the 3 yard line.

The additional points were scored by Corriveau who made six out of seven place kicks.

The line ups were as follows:

Gould	Lyndon
Imhof le	le Buzz
S. Twitchell lt	lt Ross
Runnels lg	lg Olcott
Amrein c	c Howland
A. Twitchell rg	rg Gallagher
D. Stevens rt	rt Vantini
L. Stevens re	re S. Douglas
M. Chretien qb	qb Simpson
Corriveau lhb	lhb Thompson
Howe rhh	rhh Gray
Hammond fb	fb Taylor

Score by periods:

Gould Academy	14	13	14	7—48
Lyndon Institute	0	0	0	0—0

CROSS COUNTRY — GOULD TIES MEXICO

On Tuesday, October 1, Gould and Mexico High met and tied 32-32 leaving Bridgton High trailing with a score of 57 points. This cross country contest covered a course of 2.3 miles, and the first runner to finish was Gould's Vaughn Damone, who was clocked at 13:35 minutes. Following him were Gary Glatz of Bridgton and Dave Jordan of the Pintos respectively.

The participants scored as follows:

Gould (32)—Damone, 1; Buck, 5; Lane, 7; Lombard, 9; Chapman, 10. Mexico (32)—Jordan, 3; Dunlap, 4; Cartwright, 6; Buckingham, 8; Miller, 11. Bridgton (57)—G. Glatz, 2; Taylor, 12; L. Glatz, 13; Larabbe, 14; Willey, 16.
